

SMOKED KALAMATA & GREEN OLIVES

Our large, pitted Greek Black Kalamata and Green Conserviola olives are traditionally cold smoked with natural beechwood smoke. The authentic, natural smoking process preserves the attributes of these meaty olives while infusing a deep, smoky aroma and flavor. The olives are then packed in a blend of sunflower oil and extra virgin olive oil, adding a subtle flavor that doesn't overwhelm the natural smokiness of the olives. Enhance the depth and flavor of a variety of cocktails, antipasto and main dishes with these unique and delicious olives.
